30 April 1952

Dear Dr. Meade:

Thank you very much for your letter of April 29, accepting our invitation and that of the National Education Association, to be present at the ceremony on the 18th of May. In accordance with your request, we have pleasure in sending you three additional invitations.

At this writing you have probably received a procession and tea card. The procession card, I think, will give you all of the information as to not only the procession, but the seating arrangements. However, if after you have seen the procession card, you wish further details, please do not hesitate to communicate with us again.

Cordially yours,

Bertha L. Lyons (Mrs. N.)
